# CHURCH COVENANT

**As we are called together to be God's people, we will live by the values and in the hope of God's kingdom. We will value each other as citizens of this kingdom.**

**As we are called to follow Jesus, we will model our lives on his leadership and teaching. In love we will serve each other and the world as an expression of our obedience.**

**As we are given the Spirit, we will seek to discern and act upon that guidance. We will be sensitive to the Spirit's promptings in all aspects of our existence, and will affirm the appearance of the Spirit's gifts in each other's lives.**

**As God has given each of us a part to play in this congregation, we will respect the different expressions and understandings of faith among us, and together seek to discover through them God's purposes and directions for our corporate life.**

**Thus we commit ourselves to deepen our knowledge and love of God through corporate worship, disciplined spiritual journey, faithful action in the world and honest fellowship with each other.**

**We commit ourselves to this local congregation, believing that it is with and through each other we are called in love to serve.**

**We commit ourselves to act upon our discoveries in the faith, understanding that we are partners with God in bringing the gospel to the whole community.**
